## TOTUMO MUD VOLCANO ADVENTURE & FISHING VILLAGE LA BOQUILLA

### Description

The Totumo Mud Volcano is an active mud volcano located near sea level in Cartagena, Colombia in the municipality of Santa Catalina. A local tourist destination, famous for its alleged healing mud bath, it receives most of its visitors from nearby Cartagena. Along with this, it is the smallest volcano in the country. The mound has a prominence of about 14 m (48 ft), and it is accessible via a staircase that leads to the top of the crater, which can accommodate about 15 people at a time; there, tourists bathe in the dense, warm mud and have the option of receiving personal massage from the attendants. The experience is then followed by a bath in a nearby lagoon to remove the mud.

The minerals in the mud are said to have therapeutic qualities - whether the Volcano will cure your ailments is unclear, but it makes your skin feel great!

On the way back to Cartagena we'll visit the Fishing Village of La Boquilla to enjoy some drinks and snacks by the beach.

### What to Expect

We'll pick you up from your accommodation at your preferred time either in the morning or in the afternoon and drive for about 1 hour to the north of the city till we reach the Totumo Mud Volcano located 60 Kilometers away from the Old City.

Get deep into a nice feeling that leaves exfoliated skin soft and smooth. Have fun and let go, get a massage at a mud volcano while floating like a feather.

After a muddy bath, we'll take you to the natural swamp next to the Volcano to take the mud out of your skin with a hand shower by one of the native girls who will make sure you don't bring any mud back to town.

On the way back to your accommodation, we'll show you some of the local beaches and fishing villages around the city to enjoy drinks and snacks by the beach.

We go to a spot that has the safest conditions to learn, get your gear and kite with us; we plan cool down-winds next to the walled city.

Begginer Kiteboarder - Level 1 (2 - 4 hours): This program is carried out on land and involves about 30min of theory and then practice on the beach.

Intermediate Kiteboarder - Level 2 (6 - 8 hours): This program consists of a bit of practice on the beach, mostly practised in the water and a bit of theory.

Independent Kiteboarder - Level 3: This is the advanced part of the program which consists mainly of board riding skills in the water and a bit of theory on the beach.

### What to Expect

You'll be picked up at your location at the preferred time according to the weather and wind conditions.

Throughout the kiteboard lessons safety is our priority, so we'll take you to the safest and most helpful spots at the north beaches of Cartagena.

Depending on your level and knowledge we will provide the right instructions to learn and enjoy the waves during your kiteboard experience.

Fresh and soft drinks are available to hydration during your lesson, and at the end of the training, we will be ready to bring you back to your accommodation.

## VISIT SAN BASILIO DE PALENQUE, A PIECE OF AFRICA'S HEART IN AMERICA

### Description

This tour focus on the culture and history of Palenque, an African Village located 65 Kilometers outside of Cartagena. It allows its visitors to feel the village just as a local, interact with them and experience the hospitality of its inhabitants.

Come and enjoy the first free village of blacks in the entire Americas! Born in the middle of colonial times from revolution for freedom and hope, this village has become the birthplace of personalities like Box World Champion "Kid" Pambelé.

Come and meet a local, passionate and knowledgeable guide who will tell you their story and show you what makes this village different from any other. Try local food, sing and dance with locals happy to share its traditions with the world.

### What to Expect

To enjoy the very best of this experience with beautiful weather, we recommend to start at 8:00 am. We'll pick you up at your location, drive southeast of Cartagena for about 1 hour, pass by local neighbourhoods, the Industrial area and villages that surround the city to finally head to the African Village of San Basilio de Palenque.

A native guide will welcome us with live music, coffee and a shot of ñeque (the local tequila from Palenque), we'll explore the village on foot, meet its most remarkable people, indulge in their culture, history, gastronomy and art.

After a nice walk, we'll enjoy a delicious typical lunch cooked by a native member, who will kindly invite us to their house to live it like a local.

Finally, we'll end up trying their most traditional sweets as a dessert, having the opportunity to be part of the cooking process and then come back to your Hotel

## MOUNTAIN BIKING EXPERIENCE IN TIERRA BOMBA

### Description

Tierra Bomba is the closest island to Cartagena de Indias' old village. With four Afro-Colombian native fishing villages, the place is still very alive and interesting for the fortresses that the Spanish built during colonial times to defend the city's entrance to the bay and access to it.

Enjoy discovering important places in the village of bocachica and bike through the forest to encounter a XVII military fortress where canons were fired to defend the city against pirates.

### What to Expect

Your concierge will pick you up and invite you to ride a bike through the walled city to go to the marina and take the boat to Tierra Bomba Island. Ride your bike around the island and discover the Angel San Rafael battery. This colonial fortress is an incredible fortification that you will enjoy due to the location that is right on the top of the mountain, strategically made to defend the island with a 360 ° view. "He is the only exponent in the world of internal defense." Then you will visit the Fortress of San Fernando de Bocachica, where you can see and walk around the fortress.

Have a typical fried food and time to refresh before embarking to return to the city and leave it at your accommodation.
